ALL THE DAYS  
There's nothing worse than family... and nothing better. Miranda has done everything in her power to create a life completely different than the one she came from. But a week before a family celebration, Miranda suffers a lapse of judgment and invites her deliciously eccentric and overbearing mother to come stay. With all the knick knacks in one place, will they all stay in one piece? This heartfelt and hilarious world premiere is about a family of very funny people in the midst of loss, love, and forgiveness. Seats are limited and are only available for Princeton graduate students. Contact Olivia at omartel@princeton.edu to reserve a ticket indicating your name, PUID number (the nine digit number on the front of your PUID card), and the last two digits of your social security number. To bring a guest that is not a PU student you would need to buy ticket for $5 and indicate that you will bring a guest when you first email. Please note, VSRCs are not eligible for the Tiger Ticket program.
