* For the admission statistics beginning 2014-15, applicants who were admitted, accepted but deferred enrollment are counted as applicants, admits and accepts only in the year admitted. For prior years, deferral applicants were counted as an applicant and admit in the year of the original application and also counted as an applicant and admit in the year they enrolled; deferral applicants were counted as an accept only in the year of enrollment. Admission statistics for 2014-15 include deferral applicants from 2013-14.

** In this report, Underrepresented Minorities includes only U.S. citizens and permanent residents who self-declare their race or ethnicity to be one of the following: Black or African American, Latino/Hispanic, American Indian or Alaska Native, and Native Hawaiian or other Pacific Islander. Starting in 2014-15 we included Native Hawaiian or other Pacific Islander in the calculation of Underrepresented Minorities.
