In graduate school, you will interact with others who will often carry many beliefs that may be different than your own. Effectively navigating interactions across difference requires self-reflection, perspective taking and skill. In this workshop, we will explore how the implicit attitudes framework can be of use to you as you navigate graduate school. This research-based framework offers a way to recognize bias in its more subtle forms and intervene with bias and overcome its negative impacts. And we do it while reducing shame and blame, putting our energy instead into being more responsible for promoting a multicultural environment.

OLD NASSAU

H. P. Peck, '62

Karl A. Langlotz
Arranged by Ernest Carter, '88

Melody 1st Tenor

1. Tune ev'ry heart and ev'ry voice, Bid ev'ry care withdraw;
2. Let music rule the fleeting hour, Her mantle round us draw;
3. And when these walls in dust are laid, With reverence and awe
4. Till then with joy our songs we'll bring, And while a breath we draw,

Melody 2nd Tenor
Let all with one accord rejoice, In praise of Old Nassau.
And thrill each heart with all her pow'r, In praise of Old Nassau.
An other throng shall breathe our song, In praise of Old Nassau.
We'll all unite to shout and sing, Long life to Old Nassau.

Refrain

Piu mosso
Melody 1st Tenor

**In praise of Old Nassau, we sing, Hurrah! Hurrah! Hurrah!**

Melody 2nd Tenor

Our hearts will give, while we shall live, Three cheers for Old Nassau

* The melody is in 2nd Tenor, except where, as indicated, it passes temporarily to 1st Tenor.

** Last verse, "Long life to"*—
