For the admission statistics beginning 2014-15, applicants who were admitted, accepted but deferred enrollment are counted as applicants, admits and accepts only in the year admitted. For prior years, deferral applicants were counted as an applicant and admit in the year of the original application and also counted as an applicant and admit in the year they enrolled; deferral applicants were counted as an accept only in the year of enrollment. 2014-15 was a transition year and deferral applicants from 2013-14 were counted as an applicant and admit for 2013-14, and as an applicant, admit and accept in the Admission statistics for 2014-15.
